#### Brace Up.

Trying to walk with one foot in the grave does not help us to get along. Lift up your head and heart, your hands and your feet, your all, and do what you can, making yourself as useful as possible. Neither bread and raiment, nor

even religion, are found in the grave. Fretting about things which cannot be changed except by your own conduct is like finding fault with your cook for giving you bad Coffee for breakfast when the fault is with yourself in providing her with an inferior article to make from, while Genuine Mandbeling Java

may be readily obtained at a slight difference in cost.

Keep your temper, and let the bad Coffee be a warning against pro-viding more like it. The best use of past follies and errors is to let them teach us to be more wise now.

MINOR LOCAL EVENTS.

The Smaller Happenings of a Day in and About the City. There were more lady visitors at the navy yard yesterday than any day this week.

The Busch Zouaves, of St. Louis, and the Pittsburg Randall Club left for home

Barnoy Freel, who has a brother in this city, was burned to death at Bradford, Pa., yesterday. Mr. Kline, of the Brooklyn Gymna-sium, has been called to the position in the Young Mon's Christian Association recently vacated by Prof. Turner, who is now in Princeton,

Mears. Johns & Easton, stonographers of this city, have been designated as the official reporters of the Wales court-martial, which is to assemble at the navy department on Monday next.

The register yesterday received the will of Miss Eliza Young, in which she leaves her estate to her two sisters, for probate and record, also the will of Mra. Florence Murray, in which she bequeaths her estate to her children.

Henry Fletcher and Wm. Ellis were yesterday convicted of breaking into the house of Richard Crouther, No. 717 Four-teenth street, northwest, on the 13th of November last and stealing a silver pitchor, and both were sentenced to three years in the Albany ponitestiary.

At the annual meeting for the election of Sabbath school officers of the New York Avenue Presbyterian Church last Thursday evening the following persons were chosen: J. R. Van Mater, superintendent; C. B. Jewell, assistant superintendent; Paul Gorham, secretary; B. F. Sommerville, librarian, and N. A. Robbius, treasurer. The school was reported in a flourishing condition.

The "Mesgher Guards," of Providence, R. L. Capt. C. H. Howard, 1st Lieut. H. B. Hackett, were escorted to the Baltimere and Potomac depot by the "Emmet Guard," who afterwards held a meeting and unanimously tendered a vote of thanks to Mr. F. K. Ward for his courtesy to the 69th resument of New York on to the 69th regiment of New York on their arrival in this city on the morning of the 4th.

Thousands of families have had occasion to try the never failing qualities of Dr. Buil's Cough Syrup, and they all unite in the praise of this wonderful prescription.

The Stabat Mater. Preparations for the presentation of Rossini's Stabat Mater, under the auspices of the Tabernacle Church are going actively forward, and the chorus rehearsal last night showed a high degree of per fection in the execution of the beautiful but difficult music. The soloists will be Miss Eva Mills, soprano; Mrs. J. W. Pow-cil, contralto; Mr. A. I. King, of New York, tenor, and Mr. W. A. Widney, bass. Dr. George W. Walker will preside at the organ, and the chorus of fifty will be directed by Mr. A. A. Hayes. All the principal performers are Washingtonians except Mr. King, the tenor, who is well known to our musical public from the favorable impression he made here a year ago, when he sang at the grand concert at Stewart Casile, and his efforts there guarantee a finished execution of the famous Cujus Animam. Seats for this concert, which promises to be one of the most enjoyable musical events of the season, may now be secured at Ellia's music store. but difficult music. The soloists will be

Poison.—No druggist dare compound a prescription containing poision without placing

above inscription, which warms one of its
deadly contents, and yet liquor dealers all

the rankest poisons known. No one will dispute the fatal effect of this oil when taken in a
very small dose. Two grains would make a

The Greenbackers' Address. The national committee of the green-back party have been in session at the back party have been in session at the National Hotel, in this city, and a special committee yesterday prepared an address to be issued to the public. In this it is averred that speculators and monopolists have been clothed with authority to issue the money of the people, and that the currency has been contracted notwithstanding the enormous growth of population. The financial reforms proposed by the greenbackers are set out; the course of members of congress who opposed Mr. Cleveland's views on silver coinage are approved; the refusal of congress to pass bills for the forfeiture of uncarned land grants, and the eviction of honest setlers at Oklahoma from their new homes in the interest of cattle kings are denounced.

FROM PARIS TO VIENNA ON A BICYCLE -- I FROM PARIS TO VIENNA ON A BRYCKE.—I carried with me, among my searly baggage, a small supply of Coca, an Indian tonic, by which I was able to assuage the sudden and patinful hunger which sometimes accompanies continued exertion. When fatigue and sleep began to tell upon me, the marvelous Coca again supported me and gave me strength.

The unequalled tonic and reinvigorating powers of the Coca are embodied in Liebig Co's celebrated Coca Beef Tonic, recognized as the standard tonic by the medical profession of every civilized country. Cures dyspepsia, maiaria, billiousness, and debility.

A Notice to Lawyers.

The clork of the court has issued the following notice, which, he hopes will catch the eye of lawyers practicing in the district court: "Attorneys having papers belonging to the files of the court are requested to return them to the clerks office immediately, in order that the rearrangement of the files now going on may at once be completed."

To poison a weil is one of the worst of crimes. It is worse to poison the fountain of life for one's self and for posterity. Often by carelessness, or misortime, or inheritance this has been done. Ayer's Sarsaparilla goes back of the symptoms, picks up these impure seeds from the blood, the vital stream, and restores appetite, strength, and health.

Union Gospel Service. The union gospel service will be held to-morrow afternoon at 3:30 o'clock in McKendree M. E. Church, Massachusetts Revenue, between Ninth and Tenth streets.
Rev. Dr. Chester will lead the meeting.
There will be brief remarks by several
pastors, and the Moody choir will lead the
singing.

congenial pursuits.
